Your help today means success for our students tomorrow!

Beckman High School's Education Fund (Ed Fund) provides resources for educational materials and programs that are not covered by State and District funds. Some of the items supported by your donation include, but are not limited to, lab equipment, video production cameras, books, art supplies, AP preparation materials, STEM items, and even hands-on field trips. The Ed Fund also sponsors the highly popular speaker series that offer valuable educational and college planning information. The Naviance program used by all of our students and counselors for college planning is made possible by your Ed Fund donation.

Your help is needed to maintain these programs and initiatives. Please consider supporting Beckman students through your *tax-deductible* Ed Fund contribution.

100% of your donation directly supports Beckman students

Please return the bottom portion of this form to the Administrative Building or mail it to the address shown above. Donations of any amount are welcome, including potential employer matching support.

YES! I would like to be considered for involvement on one of the Ed Fund's committees or Executive Board.

I know a business that should be contacted to help provide support.
